MOTION FOR EXTENSION OF PROPOSAL/COMMENT DATE

Direct Energy Services, LLC (“Direct Energy”); ENGIE Resources, LLC (“ENGIE”); NRG Energy, Inc. (“NRG”); and Vistra Energy Corp. (“Vistra Energy”) (collectively, the “Energy Supplier Coalition” or “ESC”), by counsel, requests an extension, for all parties, of the December 31, 2019 due date for proposals or written comments to January 17, 2020. In support of this motion, the ESC states as follows:

1. On November 5, 2019, the Commission entered Order No. 9497 (“Order”) opening this docket to address whether third party supplier consolidated billing should be permitted in and adopted for Delaware. In the Order and accompanying Public Notice for Requests of Third Party Electric Supplier Consolidated Billing Proposals (“Public Notice”), the Commission directed that all interventions be filed by November 29, 2019, and that parties and interested persons file proposals or written comments by December 31, 2019. *See* Order at Ordering ¶¶ 3-4; Public Notice at 2.

2. The members of the ESC filed a timely intervention, which the Commission granted on December 13, 2019.

3. Given the upcoming holidays and the availability of individuals on behalf of the ESC to review and contribute to the ESC’s proposals/comments, the ESC requests that the filing date be extended by approximately 17 days January 17, 2020.

4. No party or interested person will be prejudiced by this short extension of the filing date.

5. The ESC is authorized to represent that the Staff of the Commission, the Delaware Public Advocate, Delmarva Power and Light Company, and the Retail Energy Supply Association do not oppose this request.

WHEREFORE, the ESC respectfully requests that the date to file comments be extended to January 17, 2020.

Respectfully submitted,

DIRECT ENERGY SERVICES, LLC
ENGIE RESOURCES LLC
NRG ENERGY, INC.
VISTRA ENERGY CORP.
